-:-

Sub: Education - Industrial - Polytechnics - Board of Visitors - Constitution.

You may be aware that under the control of the Department of Industries and Commerce, Madras, there are eight Polytechnics established on a regional basis to train technical personnel of Diploma standard. It is proposed to appoint a Board of Visitors for each of these Polytechnics.

The functions of the Board will be of an advisory nature. The Board will consist of the Collector of the District as ex-office Chairman, the Principal of the Polytechnic as ex-office Secretary and one technical member for each Diploma course taught in the Polytechnics. The tenure of the Board will be three years in the first instance.

It has been suggested that the following officers of your department may be nominated to these Boards.

Names under consideration to be appointed as Technical number of the Board of Visitors.	Course and the name of the Polytechnics.
1. The Divisional Engineer(Highways) South Kanara, Mangalore.	Civil Engineering at Karnataka Polytechnic, Mangalore.
2. The Superintending Engineer, First Circle Highways, Kakinada.	Civil Engineering, at Andhra Polytechnic, Kakinada.

ORDER SECRETARY
28 MAR 1953
DEVELOPMENT DEPARTMENT

The draft order and the note of P.W. above may be perused —

It is submitted in this connection that there is a separate proposal pending in this Deptt. regarding the Constitution of the Board of Visitors for the several Polytechnics - In that file the Dir of Industries and Commerce has proposed the appointment, among others, of certain Ex officio Engineers, Divisional Engineers, Superintending Engineers of the P.W, Electricity and Highways Depts, as technical members of the Board of Visitors for the various Polytechnics and the Director has been asked to consult the Heads of Depts concerned whether they are agreeable to the appointment of the officials under him as technical members of the Board. The reference from the D. I&C to the Chief Engineer (H) copied at pp 7-8 of is an outcome of the reference received from this Deptt and mentioned at A above and all that the Chief Engineer has to do is to inform the Director whether or not he is agreeable to the appointment of the officers to the Board of Visitors —

It is the intention that orders for the appointment of the several members including the officers of the P.W; Hydraulics etc to the Board of Visitors should be issued from this Deptt, of course with the concurrence of the Depts concerned, after the agreement of the Heads of Depts to the proposed appointments is received - In the circumstances stated above there does not appear to be any necessity for the P.W. to issue appointment orders in this file - It is enough if the Chief Engineer (H) informs the D. I&C whether or not he is agreeable to the proposed appointment
